

Dear Friend of the Foundation:

Since the formation of the Bobby Nichols-Fiddlesticks Charity Foundation 18 years ago, the Fiddlesticks Country Club community has donated over \$12 million to local children's charities. The community is grateful to the individuals and businesses that have demonstrated a strong interest in Fiddlesticks' efforts to raise funds in support of abused and at-risk children. The Foundation and the dedicated Piper organization have made a difference in the lives and well-being of children suffering from abuse and neglect and we could not do it without your support.

We have seen government funding go down and the number of children needing assistance go up. We know that our efforts are making a difference and so we continue our mission to fight for these children. Given our ongoing pledge to support the children in our community, we need your help. Included you will find sponsorship opportunities for our 19th annual charity events, including the Nichols Cup Pro-Am Golf & Tennis Tournaments along with the Auctions in mid-February 2021.

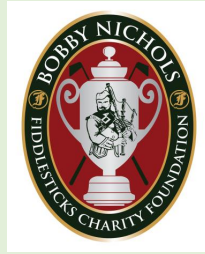

The PGA recognizes the Nichols Cup Golf Tournament as one of the most successful community sponsored Pro-Am's in the United States. Numerous professionals and sports celebrities participate in the event taking the time to show their support for this important mission. Every donor matters just like every child matters.

We ask that you strongly consider providing your support with a sponsorship commitment. The children and programs need you more than ever. We are currently planning for the 2021 events and the charities are providing ongoing services to children who so desperately need our help. Together, we can make a difference in these young lives. Thank you for your commitment to the children.

With appreciation,

Michael Lancellot
